

# Dixie High School Community Council

## Minutes

**November 19, 2013**

Members Present: James Bown, Steve Quinn, Kathryn Anderson, Shauna Challis, Paul Ogilvie, Sharla Campbell, Jason Brooks, Kay Berry.

### Items Discussed:

Council members were informed about the process for registering students for next year's classes which is occurring in the next few weeks. Kathryn Anderson mentioned that there is some frustration on the part of parents when students are allowed to change their schedules without parents being informed. She suggested that the school include parents in the process by requiring a parent approval signature when students request a class change. Other Council members agreed that this would be a welcome procedure. Sharla Campbell will speak to counselors about initiating this change. Also, it was recommended that no schedule changes be made for students without a parent signature.

Council also discussed AP programs and options for awarding students college level credit through concurrent enrollment. Dixie High will offer a college-level experience in all departments beginning next year. The district will hold a meeting this week to discuss plans for AP programs in the district, and Sharla Campbell will report the content of this meeting at our next Community Council meeting.

James Bown commented on the high quality of the school's production of *Peter Pan*. Over 150 students participated in this effort, which was directed by Russ Saxton.

It was agreed that our next meeting will be held on January 14, 2014, at 4 p.m. in the Dixie High School Conference room.
