**Meeting Minutes**

12:03 – Meeting called to Order

- With COVID, DHS was cut 2.5 teachers to compensate for online learning. Need the funding to replace classroom teachers
- Additionally, utilizing a paraprofessional to work with online students
- DHS has a 50% pass rate for online students vs District-wide 25%
- Balance of funding to replace Chromebooks & other technology needed to support COVID remote learning options

#### Mr Christensen – School of Life

- Original plan was to fund School of Life next year, but considering utilizing another funding stream for this or utilizing community resources to offer an equivalent course for less money that can benefit more students
- Good feedback from students on the course
- How to keep what the students are learning going throughout HS?
  - Mentor other students who are going to attend School of Life
  - Have a campus club for students who attend (School for Cool)
  - Option for projects to be completed later

#### Ms Atkinson – Counseling Update

- ACT 23 Mar, register 2/3 Mar in History Classes
